

# sneeze<sup>TM</sup>lite

### **SNOOZE LITE**

This is the perfect sleeping solution for warm spring/summer nights, when a standard sleeping bag can become uncomfortable. The Snooze-Lite is a lightweight sleeping bag featuring a soft polyester inner for optimum comfort during muggy conditions. It can be folded easily in to a bedchair or packs away very neatly into a small compression sack for easy stowage.

#### **Product Features**

- Highly breathable material
- Quick release zips on two sides, with webbing to prevent snagging
- Secure, elasticated bedchair fixings
- Compact compression sack
- Weight: 1.4kg
- Size: 80" x 36"
- Transport size: 12.5 x 7.5"

**snooze<sup>™</sup>lite**

**Available Early June '11**
